Upcoming Webinars

Submitted by Victoria on April 3, 2020 - 4:30pm

Dear Valued Advisor,

Due to the current COVID-19 Health Concerns, we have had to move all of our training from Global Pacific and our Partners (Carriers) to Webinars. During these sessions, you will continue to receive the same valuable training and support that you have become accustomed to. In addition, timely information will be shared regarding how to continue conducting your business operations in a digital environment.

We encourage you to attend as many of these Webinars as you can going forward, and invite you to sign in to our Global Pacific Website ?Events Calendar? to register for those sessions that you are wishing to attend.

Global Pacific ?Events Calendar?

In order to access the **complete** Events calendar on the Global Pacific Website, please sign in at <https://globalpacific.com/user>, and then click on the ?Events Calendar? located under ?Quick Links? on the right side of the page. The ?Events Calendar? requires sign in, as it is only intended for advisors, and not clients or the general public.

On this page, you will find a listing of Global Pacific Hosted (GP), and Partner (Carrier) Hosted Webinars. Simply click on the Webinar you are interested in attending, and find full details as well as registration instructions. This page changes as we add/modify new Webinar sessions, so please check back frequently.

Before any Webinar you attend, please ensure your sound system, microphone and/or camera are functioning properly.

For your convenience, we are including a listing of Webinars for the month of April below. *(GP) indicates a Global Pacific Co-Hosted Event.
