Manulife and Bayshore HealthCare Ltd. partner to deliver a Specialty Drug Care program

Manulife is very excited to announce the launch of our Specialty Drug Care program, delivered in partnership with Bayshore Healthcare Ltd., one of the largest private healthcare companies in Canada. This program, designed to help your clients manage specialty drug costs, now and in the future, is more than just a preferred provider network.

Hot off the press! ? Please take a look at our [press release](#) from earlier today.

The upcoming issue of Group Advisor, September, 2014, will include more details about this exciting program. We encourage to you read it.

If you have any questions, please contact your financial advisor.
