### Manulife Private Investment Pools. Minimum purchase \$100,000 per fund or \$250,000 per household

- 1) Jane has \$100,000 in RRSP. She is eligible for MPIP and can invest in a maximum of 1 fund. She will satisfy the \$100,000 per fund requirement.
- 2) Jane has \$200,000 in RRSP. She is eligible for MPIP and can invest in a maximum of 2 funds. There needs to be a minimum of \$100,000 in each fund.
- 3) Jane has **\$250,000** in RRSP. She is eligible for MPIP and can invest in any number of funds. The fund minimum waived for accounts/households over \$250K
- 4) Jane has **\$100,000** in RRSP, **\$50,000** in TFSA. John has **\$100,000** in an Open account. As a household, they have a **combined \$250,000**. This means all accounts are eligible for MPIP and the fund minimum is waived. The \$250,000 can be from multiple accounts in the same household.
- 5) Jane has **\$150,000** in RRSP and **\$50,000** in TFSA. The RRSP is eligible for MPIP and can invest in one fund (\$100,000 minimum). Since the total investment is below the \$250,000 household minimum, the TFSA does not qualify for MPIP and should be invested in a the InvestmentPlus Series.
